

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

October 10, 2006

The Los Angeles County Seniors Count! Needs Assessment was developed in partnership the Los Angeles County Area Agency on Aging Advisory Council, the Los Angeles County Commission on Aging and the L.A. City Department of Aging. Wide dissemination of the survey to every conceivable point of contact for seniors is a most effective means to ascertain unmet needs of seniors across the County.

The extensive outreach and dissemination plan includes houses of worship, senior and recreation centers, libraries, County parks, County of Los Angeles Superior Court of California offices, and service providers. Responses to the needs assessment survey will be used to plan and implement services for older adults residing in Los Angeles County by age, gender and community.

I, THEREFORE, MOVE that the Board of Supervisors proclaim the month of October 2006 Los Angeles County Seniors Count! Needs Assessment Month and encourage all residents age 60 and older to complete the needs assessment survey during the month of October.
